Audition: 11/03/2008 18:30

Audition: 13/03/2008 18:30

Felix Humble is not having a good summer. Searching for peace in his late father's garden, he is disturbed by his mother's plans to remarry so early into widowhood.

Family secrets are revealed as Felix tries to convince his mother that George Pye isn't the man for her. Will he succeed or will unnatural forces intervene?

A bittersweet tale of bees, astrophysics and love.

By arrangement with Samuel French.
