A one act comedy play about love, romance, infidelity, emotional masochism, envy, therapy, bad sex, letting go, getting caught and all the other things that make modern relationships so much fun. Within every disastrous relationship, the seeds of destruction are planted long before the people even meet.

The play is made up of 11 vignettes including but not limited to a passionate, yet disastrous relationship between two emotional masochists; an open sexual partnership that almost goes under when one partner admits he hasn't been cheating; to a grass is always greener threesome in which two women pine for what the other has, only to get it.

This production will be an opportunity for new and aspiring directors to try their hand at directing, as each vignette can have a different director. The pre-production reading is therefore for anyone interested in directing as well as those wanting to read or subsequently audition for a part.
